MOHAMMED AZIM

B.Com Student | Business & Management

Kochi, Kerala • +91 98955 86086
azimperinghat@gmail.com

PROFESSIONAL PROFILE

First-semester B.Com student at Rajagiri College of Social Science with an interest in business operations, management, and practical problem-solving. Built a Turf Booking Management System using Python, MySQL, HTML, and Tkinter, gaining hands-on exposure to application development and database-backed workflows. Eager to learn, contribute to team projects, and develop strong business and analytical skills.
